REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

There was no prior art found by the examiner that suggested modification or combination with the cited art so as to satisfy the combination of all the limitations in claims 85, 90, and 94. There was no prior art found by examiner to combine with cited art so as to satisfy the steps of: (1) collecting scattered light caused by the first beam over a predetermined area and integrating the intensities of the scattered light over said area to form a first integrated response, (2) collecting scattered light caused by the second beam over said area and integrating the intensities of the scattered light over said area to form a second integrated response, and (3) comparing the first and second integrated responses to determine whether a defect is a particles or a subsurface defect.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hoa Q. Pham whose telephone number is (571) 272-2426. The examiner can normally be reached on 7:30AM to 6 PM, Monday through Thursday.

Art Unit: 2877
